Shall we talk New Year's resolutions?

By Guest Writer Jackie Cannizzaro

Let's not and say we did. If we made resolutions last year do we remember what they were? If you can't remember then you know what that means. If hindsight is 20/20 what can we look forward to in 2020? Answer: our club is a wonderful oasis. We appreciate and maintain that your club is a place to gather, no one has to clean their home to socialize, it is optional to cook for friends, play games, watch games and movies, dress up, dress down, to lead, to follow, to cruise or not to cruise. Some members choose to gather more often, cook more often, clean more often than others at the club still ALL are welcome. An unexpected visit from those seldom seen would cause the room to erupt in joyous "hello, so good to see you. We have missed you." Our members are spirited, observant, quirky, funny, solemn, caring, supportive,

Rex and Suzie DuPuis with John Upah and Edie Bjaaland bringing in the new year.

Commodore Mike Rowe

Wow time flies when you're having fun, 2020, I wish my vision was still 2020. Is anybody else still sore from dancing? The Commodores Ball was one to remember! I need to thank Ferd again for his wisdom that he gave me and to the Dumits' for the writing lessons.

We are going to have a great year! New committee chairs with fresh ideas, new newsletter format, Social calendar for the whole year published.

This year flew by - Happy New Year.

As it seems like yesterday that I became your RC, I want to thank Ferd for his leadership, antics and fun times. We have a great Bridge and Board, going forward, so I am positive we will continue to sail and power (lest a preference for water propulsion be mentioned) in the right direction. Terry brings a "can do" attitude and great experience to the Bridge, mastering beer line purging with no

Rear Commodore Terry Sparks

First I would like to thank you all for selecting me as your Rear Commodore. I plan to work hard and keep our facility in good operating order, at the lowest cost possible. My predecessor, Ken, has been diligent in maintaining the facility and is turning over the club to me in the best possible condition.

Ken's comments in last month's newsletter were excellent. While I have been a member of the club for many years now, I was unaware of the Monday Morning Grill Crew (MMGC). As Ken said, the MMGC keeps everything working at OHYC.

Happy New Year!

Even though the days are short, and the weather might be frightful, there still are Sail Fleet gatherings every Thursday throughout the winter months.

If you are or have been interested in what we do, come join us on Thursdays, for Rules of Racing talks and videos at the club! Learn the fundamentals of racing through a video series and discussions. Be sure to check out our Windseeker Fleet information. Windseekers is a non-flying class dedicated to cruisers, new skippers, and experienced skippers who just want to take it a little slower.

Following Rules of Racing sessions, we invite you to stay for a movie and pizza. Movies that have a lot or even a small sailing sequence count as an option for viewing that night. Movies are chosen based on the group for that evening. Families welcomed!

Videos and discussions start at 5:30 sharp followed by the movie around 6:30pm. Stick around for pizza and a movie or just come for the rules training.

See you there!

Pleasant Harbor...potential extended cruise destination...lovely destination!

Shore view of the lighted boat parade

Although we were unable to participate in the Christmas Parade, we saw from a distance from Flintstone Park the boats congregating in the harbor. We got to Coupeville in time to watch them coming around the corner into Penn Cove. It was a nice parade and the weather was quite agreeable. There were 11 boats in all and Rumnesia won best display for the power boats and Dustin on Ricochet won best display for sail boats.

Thanks to Byron Skubi for, once again, organizing this years' Christmas Parade.

Now we look forward to the 2020 cruising season. More to come in February about the planned cruises and extended trips for several of them (Deer Harbor to Fishermans, Port Townsend to Pleasant Harbor, Victoria to ???).

Have your calendars ready. Connect with Colette and Ralph if you have any questions.

The Buccaneer Fleet had another great year!!

In full regalia we participated in the following parades, Saint Patrick's Day, Holland Happening, and 4th of July, handing out over 1,000 strings of beads. In addition, the Bucs participated in seven events this year:

The Kids Fishing Derby: On July 6th, our 39th Annual Kids' Fishing Derby had 105 kids register to fish. Prizes were awarded for top fishing and most "Pirate Like" kids. Everyone received a grab bag of special goodies and we served approximately 275 grilled hot dog picnic lunches to all those fishing and their families. What a spectacular day!!!!

Annual Treasure Night Fundraiser: The evening was a great success and loads of fun! The Buccaneer Fleet spearheaded the annual fundraiser which benefited both the club's general fund and the Buccaneer Fleet. We raised a total of \$13,479.00 with a net of \$11,553.35, which gave both parties \$5,776.67.

Whidbey Island Marathon: The Buccaneers manned a water station just before the finish line for the marathon. Bucs arrived in costume and Gary pulled the pirate ship to the site which made for grand photo opportunities for the runners. It was a little wet and cold this year but, spirits were high, and the runners really appreciated the Buccaneers cheering them along.

Opening of Windjammer Park: The Buccaneers along, with their illustrious ship, greeted kids and families and handed out pirate stickers during the opening of the park. The ship's cannon was set off to signal the official opening of the kids splash park.

Jamboree by the Sea: Buccaneers showed up dressed in costume and ready to greet the public and represent the club. Weather was a bit spotty but utilizing the downstairs club house was warm and inviting. Great turnout!!!!

Regency Annual Family Picnic: The Buccaneers were invited to participate in the annual family picnic at Regency this year. Complementing their pirate theme, we positioned the float for great photo opportunities and with several attending pirates we handed out beads and gave to all a hardy aarr!! Two of our pirates were commandeered by the ladies to cut it up on the tarmac (ie: the dance floor) making a great showing of their talents.

Thanksgiving Baskets: The Buccaneers distributed 36 baskets filled with a turkey (with a pan to bake it in), 5 lbs. of potatoes, stuffing mix, gravy mix, canned vegetables, bags of oranges, dinner rolls, cranberry sauce and pumpkin pie with whipped topping! The Bucs also supplied six Saars gift cards for single and small families.

quiet, boisterous, shy, loyal. Which are you? No wrong answer. Forest Gump said “Life is like a box of chocolates. You never know what you’re gonna get.” Hey, everyone, open the box (the club door) for a visit. Mr. Rogers said “won’t you be my friend?” So the New Year’s Resolution we propose is easy to fulfill, encouraged by friends, old and new - is to walk through that door and try a chocolate. We bet you will like what you get. New Year’s Resolution accomplished, slam dunk.

Race Week is in our wake and our Sail Fleet is coming up with great ideas for new events. You have a fantastic Bridge and Board for this year and promise to keep us on an even keel with as few barnacles as possible. See you at the Club!

Admiralty Challenge - From the Commodore

If you attended either the election dinner or the Commodore’s Ball, Ferd introduced the new effort to raise funds for capital improvements for the Club. Last year a committee identified several - a page long - of projects requiring replacement of some of the Club’s infrastructure. The list is long and has been prioritized by the committee and Commodores. The caveat to the priority is if something down the list fails first, it would move to the top of the list. An example from the past was when the walk-in cooler failed during Race Week, it had to be fixed immediately.

In 2016 members approached the Bridge with offers to help. The Board has approved the concept and the structure. The concept reappeared in 2018 when Past Commodore Munns asked that the fundraising committee to outline a process for taking cash donations from members who appreciate the Club and want to help with some of these projects.

The committee’s goal is to raise at least \$20,000 prior to Opening Day 2020. To date we have already collected from a few folks so we are on our way.

Please see the announcement on page 7 from the Admiralty Committee to understand the process.

As Commodore, I encourage anyone who can, please help us fund some of these projects.

help. An astonishing accomplishment given the "interesting" system we have. The Commodore's Ball was amazing – good music, food and great people – now that's a good night. Looking forward to this coming year – I appreciate all the support and camaraderie.

To learn the many jobs and responsibilities of the Rear Commodore, I started working with the MMGC a few months back. Cleaning the grill is just one of the many jobs the MMGC does every week. It is interesting that some of the MMGC seldom use the grill on Wednesday and/or Friday nights, but arrive with a smile every Monday.

MMGC starts Mondays at 8 AM and work for a little over an hour. After the work is finished, we sit and tell life stories over a cup of Joe (coffee) and a sticky bun (donut).

I would encourage anyone with a free Monday morning to come join us. We could use some new stories!
RC Nautical Guidance: What does an OHYC member do with a sick boat? Take it to the dock!

We have some exciting changes coming to our club's website in 2020!

We will be launching our new website in the beginning of 2020. It will have a new fresh look and have more interactive features for members and guests to the website.

Some of those features include:

- Better communication with simple online contact forms
- Newsletters
- Updated fleet pages (Sail, Cruise, Bucs)
- Event Room Rental Information
- Reciprocals
- Online payments to purchase dinners and event fees
- Online Ship's store
- Online Membership Application
- Members Portal (password protected) which will gain you access to:
 - Members Directory Database
 - Social Event Registrations
 - Bylaws
 - Committees
 - Facilities
 - More

While many of the changes will be available at the launch, a few of the features, such as online payments, store, and member's portal, will be launched later in the year. We are tasking committee and fleet chairs to help provide photos and information concerning their events and fleet schedules.

The new look of the website requires large and clear photos of the club and its activities. If you have any photo you would like us to consider, please forward along to me.

Hospitality & Memorials

Traditionally our Club sends cards to members who are ill, have had an accident, or have had some type of surgery. In order to make sure we send these greeting out appropriately, it's important to know when someone would like a card and, if they would want a card as some people prefer to keep illnesses and such private.

If you know a member who has passed, again please let one of us know.

If you know of someone who would like to be remembered with a card, please let one of the Commodores or me know. My email is islander1569@comcast.net; 360-675-5374.

The Admiralty Challenge has begun!

Help chart our next course to keep our Club in good condition. Our Club is 36 years old and some of the infrastructure needs major repairs or replacement.

The purpose of any funds donated would be for OHYC improvements and specified in a restricted account. Anyone donating \$1,000 or more would be included on a plaque or some type of art piece to be decided at a later date.

Donations can be made as a single payment or in increments of \$100 or more. When the donations from a membership equals \$1,000, the member name will be added to the Admiralty list. All donors will be recognized either at Opening Day or at the Commodore's Ball. If members have not reached the \$1,000 donation for their name to be included on the plaque in any year, their donation would carry into the next year for potential recognition on the plaque or art piece once the \$1,000 is reached.

Members donating \$1,000 more than once, their name would appear on the selected art piece/plaque with a star behind their name for each \$1,000 donated.

Any funds from The Admiralty would be held in a restricted account until they funds are needed for major club improvements as approved by the OHYC Board.

Either mail check to OHYC with a memo to Admiralty. Seal in an envelope addressed to:

The Admiralty, C/O OHYC, 1301 Catalina Dr., Oak Harbor, WA 98277

or hand deliver it to Bruce Brown or Virginia Cooley. (A form envelope will be available in the near future, along with a special locked box.)

Please print on the envelope "For Admiralty Fund."

*Donations are not tax deductible and will be placed in a restricted capital improvement account. The Payments will be processed only by a Admiralty committee member. Currently Bruce & Virginia.

The funds will be interred into the POS system into the restricted account for major improvements, in the amount only, no names, and deposited discreetly into our bank account.

The only list that will be given to the board and members is a list of names, no amounts.

For more information, contact one of the committee members: Bruce Brown, Sally Crelly, Virginia Cooley, Pam Kaiser, Larry Munns, or Avis Berney.

As a 501C7, any donation to the OHYC is not tax deductible.
