**Commodore Ferd**— Congratulations to our newly elected Bridge and Board! I trust they will get the same support and encouragement that I have enjoyed over this past year. It has been a great honor to serve on the Bridge of such an active, but relaxed, Club. If I tried to thank all of those who have helped me throughout my tour of duty, this Newsletter would be a mile long. However, I cannot leave without expressing my gratitude to Mike, Ken and Joe, as well as your Board of Directors, Fleet Captains and Committee Chairs, who helped me fumble my way through this past year. And to Barb and Tom Dumit, who are finally taking a well-earned rest after editing and publishing our Newsletter for the past twenty years! The quiet, cheerful volunteerism and good will of our Members is what makes this Club so uniquely attractive. Thank you all!

Speaking of volunteerism, a lot is going on this holiday season! Note that the Social Committee will be decorating the Club on 4 December, so give 'em a hand and have some fun.

And on Pearl Harbor Day, 7 December, Byron will again lead our Lighted Boat Parade past Coupeville Wharf and the Oak Harbor waterfront, and then back to the Clubhouse for a pre-Christmas potluck party with all Members.

Finally, please help me celebrate our Club at the Commodore's Ball on 14 December. I'll be commissioning the new Bridge Officers and Board members, as well as presenting several well-deserved Club awards. The food will be great, the Ballroom will be beautiful, the speeches will be very, very short, and the Tropics will swing! I look forward to seeing you there!

**Vice Commodore Mike**— Wow, December, time flies when you're having fun. We need to thank Ferd for his leadership over the past year. I just hope I can fill those shoes. With a new Commodore comes new committees, our new Membership Committee has two great people co-chairing: Pam Kaiser and Crystal Fitzgerald have volunteered to take on that task. Cruise Fleet has Ralph and Collette Gamble leading us around the Salish Sea, with Dave Steckman and Shannon Buys keeping the Sail Fleet sailing. Memorial will be headed by one of our past Commodores, Avis Berney.

Our Newsletter Editors, Publishers, and get-it-to-the-press-on-time folks for the last 20 years, Barb and Tom Dumit, are stepping down and passing the scribe to Sueann Carter, who is wearing many hats this year.

We will soon have a new look to our Website. We are reviving the "Member Portal" and new potential Members will be able to apply on-line.

Last, but not least, is our Social Committee headed by Carole Rowe. She has a full schedule for the year which includes Bingo, with mini games and great prizes; a Murder Mystery who-done-it, with a roaring 20s theme; and a Comedy Night with great (clean) comedians, just to mention a few. Look for the Cosmic Bingo on January 18. Mark your calendars Full details to follow.

It's going to be a great year. Come out and join the fun!

**Rear Commodore Ken**-- As my tenure as RC comes to an end – hmmm GREASE TRAPS – most of all I want to take this, and any other, opportunity I have to commend the dedication and good fellowship that defines the Monday morning Grill Team – lovingly called the Grill Boys.

The Grill Boys are regularly asked to go beyond grill cleaning. They do on a scheduled basis the following symphony of tasks:

- Clean the grill – when it's real greasy they are happy so many folks are enjoying burgers, chicken and steak

- De-grease and clean Grill House windows

- De-grease and clean grill exhaust filters and flume – a slippery slope

- Once a month - disassemble said grill and clean and inspect every component and replace as needed

- Monitor Club Heaters - clean filters as needed

- Maintain - storeroom tools

- Sewage inspection and remedial action – a real stinker

- Pick up all cig butts

- Empty weekly recycle bottles and cans

- Take recycling to marina for pick up

- Clean beer lines and taps

- Wash all bar mats

- Monitor CO2 levels for soft drinks and beer

- Fix the intrepid beer cooler when it hiccups

- Fix sink leaks – two new ones are in progress – we are scheduling fixing

- Hang stuff on walls as directed by committees

- Do landscaping when needed

- Fix plumbing

- Fix any and all things that come to our attention – don't stand still too long

- And of course – clean the upstairs kitchen grease traps – this is an event unto its own, with tales and secrets worth telling

- And new - monitor, disposal of and prevent any storage of cooking grease in kitchen areas

- And lastly in my opinion – Grill Boys "Walk on Water"

Continued on P. 3

Continued from P. 2

Reward for this is a coffee cup with your name and after Monday work detail – sweets, coffee and fun camaraderie – and oh my, some interesting stories.

Show up on any Monday morning at 8 am to see this choreographed marvel in action --- you're invited --- and be inspired to join.

So, when you are basking in the warmth of the Grill on the ensuing cold “Grill” evenings, think of the Grill Boys and when you see one “give em a hug.”

That's all I have to say about this –

I am so glad for this year's opportunity to have been the RC. It could not be done without the insightful guidance of the VC and C and Members who weigh in on needs and wants of our membership. Dating back to 1956, those before us have created the foundation of this outstanding Club. It is a true pleasure to participate in its preservation and prosperity alongside many other caring Members.

As I pass the baton to the incoming RC, I know it will be passed to great volunteer leadership.

**NEWSLETTER EDITORS' FAREWELL:**

So long, farewell, auf Wiedersehen, adieu...to yieu and yieu and yieu\*

To the Bridge, Board and Members of the best yacht club in the Pacific Northwest and to other surreptitious readers of this Newsletter too cheap or too shy to join us: Greetings and farewell.

After 20-some years, we (Barb and Tom) are stepping down as editors of the Oak Harbor Yacht Club Newsletter and turning this fun-filled job over to Sueann Carter, so that someone else can experience the joy of spreading the news, correcting the spelling, erasing mistakes and reminding our many writers to GET YOUR COPY IN ON TIME! Just kidding. We rarely shout, preferring snide hints.

A little background. We began our careers in the editing business way back in college. In 1963 the masthead of *The Leprechaun*, humor magazine of the University of Notre Dame, listed Tom as Editor-in-Chief and Barbara as Editor's Girlfriend. Ah, but she was much more than that: first and foremost, Tom's fiancée and study partner (well, more study *prompter*, as in, "If you don't study you won't graduate, and I won't marry you!" Just kidding, Honey.)

Marry we did and Barb toiled as an editor for an educational publishing firm in order to put Tom through law school, where he served as editor of the law review publication.

As you can see, editing is in our blood. So, with a tinge of regret, but great memories of commodores and contributors past and present, we bid you adieu, hang up our green eyeshades and scrub clean our ink-stained fingers. We look forward to future Club social events and your congratulatory commentary.

Tom and Barb

P.S. Thank you, Sueann

Yoho Mates.....

By the time this newsletter reaches you the annual Thanksgiving Food Basket deliveries will have been made. Marjie's House will receive 11 of those food baskets and 6 food gift cards.

With that under our belt we now move on to our annual Angel Giving Tree, busy times!! We received names of children along with their short wish list from Opportunity Council. An update on how we did with the Angel Giving Tree will be in the next newsletter. Thank you in advance for your participation. The support of our club members is what makes this event such a success.

HAPPY HOLIDAYS!

Another thank you has to go out to those who participated in the latest survey. The results are in. About 40% of the respondents liked the idea of a Monthly Pay Plan. Our lawyer has inspected the form and gave us a green light to proceed in January.

How about a show of hands that made it to the Octoberfest celebration? That was so much fun! A shout out to all who put this together: Dennis, Dutch, Brian, Deb

Weather is pushing us indoors more than putting wind in our sails, but maintenance is ongoing. When you see upkeep issues let me know; more eyes, mo' better. Smaller things go on our 'honey do' list, like attention to the downstairs door. Quick detection and action saved us from going without beer when the cooler had a hiccup before the nominations meeting. Bigger things go on our 'wish list' but let me hear about that, too.

## OHYC MEMBERSHIP UPDATE

There will be new leadership on the Membership Committee in 2020. Some of the duties have already been defined and will be reported in the December OHYC Newsletter. A sampling for the future includes: new ideas on the function of Membership, changes to the membership process, possible mentoring program for new members, and better interaction between new members and us oldies! We have quite a few certificates available and we are hopeful that with the cooperation and assistance of the current membership, we can increase our numbers. We would appreciate very much input from the current membership for their thoughts on what more we can do!
